

Don't panic, it's your data!

Teaching (better) privacy
in European schools

ARCADES

Introducing dAta pRoteCtion ANd privacy issUes at schoolS in the European Union

Why teach privacy to children and teens?

- Because it's their right.

Why teach privacy to children and teens?

- Because it's their right.
- Because it's dangerous out there.

Why teach privacy to children and teens?

- Because it's their right.
- Because it's dangerous out there.
- Because we are fed up.

What to teach children and teens?

- It's dangerous out there.
- Think before you do silly things.

- You have a right to privacy and to personal data protection (always applicable).

Thank you!
